

# 2014 DEL RIO CABERNET SAUVIGNON

*Notable Cabernet Sauvignon*

*100 % Cabernet Sauvignon*

## VINEYARD

Del Rio Vineyards is located at the 42.43 latitude in the Rogue Valley appellation of Southern Oregon. These Cabernet Sauvignon vines are from the 337 and 15 clones, sourced from our upper block 4.

## WINEMAKING

Aged for 14 months in French and American oak. 15% aged in 100% new French oak and 5% new American oak.

## STATISTICS

pH - 3.8  
TA - 5.6  
Alcohol - 13.3%

## FOOD PAIRING

Pair with steak or dishes with a heavy buttercream sauce. We also recommend a variety of cheeses such as cheddar, mozzarella & brie. The marriage of this Cabernet and bitter dark chocolate is also delicious! Enjoy now or cellar for 5-8 years.

## TASTING NOTES

The deep and bright color of our Cabernet Sauvignon is a reflection of its youth and richness. The fresh and vibrant nose shows strawberry, marionberry, and black currant as well as spicy notes of nutmeg and continues with leathery hints and bell pepper aromas. Full bodied with young but accessible tannins and a savory mid-palate, this wine showcases great dark fruit and well integrated oak. All together, the 2014 delivers the finesse of a great Cabernet Sauvignon as well as the power and structure of a wine dedicated to age.

## VINTAGE NOTES - 2014

After a cold winter, we welcomed a dry, and warm spring and summer that led to beautifully developed skins. Gentle cooling trends at the beginning of fall provided the grapes ample amount of time to ripen to perfection until the end of October. The 2014 wines are characterized by lower acidity, creating deep, complex reds and fruit forward whites.
