TASTING NOTES

Our 2014 Chardonnay exhibits a diverse set of aromatics from dill and anise to fresh cut strawberries and notes of cedar. The partial barrel aging contributed to a round and full bodied mouthfeel. This wine offers a long oaky after taste with some delicious pastry notes released by lees aging.

FOOD PAIRING

A perfect compliment to a meal with salmon, pork or chicken with a cream sauce, and crab cakes.

VINTAGE NOTES - 2015

The 2015 growing season was a record breaking year! An early bud break, cool spring, and extremely hot summer accelerated the whole growth cycle. This led to the earliest start and finish of harvest in our history. This unique year delivered full-bodied red wines with ripe and deep flavor profiles. The white wines are complex and elegant, showing a good level of acidity along with intense and ripe fruit.
